14th November, 2018

MESSAGE

It gives me an immense pleasure to know that the National Institute of Pharmaceutical Education & Research (NIPER), Kolkata is going to hold its 6th Convocation on 16th November, 2018.

We know Convocation is the fruit of hard work and symbol of achievement of the students. Education is a permanent pursuit that will demand further enhancement.

In fact, a good degree is the strong foundation, it is not just a piece of paper, it is the passport of students for their future life.

I congratulate the graduating students of 2016-2018 batch who will be receiving their degrees at the 6th convocation of the National Institute of Pharmaceutical Education & Research (NIPER), Kolkata and also wish the Convocation Ceremony a great success.

Yours sincerely,

(Mansukh Mandaviya)
